Sir,

Adverting to para iv of G.O.No. Ms. 1779, dated 4-9-1930, I have the honour to state as follows : -

The provincial subsdiy received by the Taluk Board for payment of the allowance of Rs 4/- was taken into account and the scale of pay of teachers of all the Elementary schools (both subsidy and non subsidy) was enhanced a little in 1924. A portion of the extra cost involved by the revision was also met from the proceeds of Education

P.T.O.

tax and the equivalent Government contribution. Prior to the receipt of the G.O. No. 1980 Law(Education) dated 24-9-1929. (received in this office long after the scale of pay was revised in 1929) it was not known that the proceeds of the Education tax and the equivalent Government contribution should not be utilised for the revision of pay. Nor were any funds available for the purpose -- under the General funds of the Taluk Board. The Government have, for want of sufficient funds under General fund of the Taluk Board, reduced the contribution of the Taluk Board from its General fund to the Elementary Education fund to Rs 4272/-; and this has been allotted by the Taluk Board to meet a moiety of the allowance of Rs 4/-. In these circumstances, the Taluk Board was put to the necessity of adopting the above course in the revision of the scale of pay. This revision extends to the establishment of -- subsidy schools also.

2. My Taluk Board considered that the scale of pay of teachers fixed in 1924 was quite inadequate and that the plight of the teachers deserved sympathetic consideration. With this object in view it raised the education tax from 3 to 4½ pies and levied it with effect from fasli 1338. This enhanced tax and the Government equal contribution have been utilised in the revision of scale of pay of teachers. Even this scale is not on a par with the one fixed for the similar teachers in Government Elementary schools and commended by the Government for adoption by Local bodies.

I beg to submit that if the Government were to stop now the payment of their subsidy for the allowance of Rs 4/ that was merged in the scale of pay revised even in 1924, the only course left open to the Taluk Board is to close some of the schools, which is quite undesirable, as reduction in the present establishment of schools cannot be effected in the interest of the efficiency of schools.

In this connection, I beg to state that the 1st. increment earned by the teachers has been with-held pending receipt of orders of Government on this letter.

(v) As regards the report called for in para v of the G.O., I beg to state that the matter is pending decision by the Taluk Board as to whether or not the schools are to be closed permanently. The connected records that were referred to a Local Taluk Board Member for remarks, have been received by me only on the 31st October 1930. They will be placed before the next Meeting of the Board and the resolution that may be passed will be submitted to Government soon after.
